Vestry Report 2020 - Pastoral Care & Prayer Shawl/Knitting & ACW

Pastoral Care Ministry continued with telephone calls, emails and the sending of cards throughout 2020.

Prayer Shawl Ministry - knitting continued in our own homes but we were able to meet outside in the summer to gather items together for donation to various needy causes.

ACW - No activity.

Organist/ Music Director/ Choir Report

During the restrictions of the pandemic, we have still been able to enjoy our sacred music and hymns thanks to our priest, Archdeacon Bill Gray, who continued to sing during the virtual services, sometimes along with his wife Ruth. Dee Fenton, a regular soloist at our church, has been faithfully sharing her talent each week. As your organist, having Bob and Dee Fenton up in the choir loft during these difficult times has made the absence of the choir a little less painful. A big thank-you to Bill Gordon who lifted our spirits by sharing his Music Ministry with us virtually!
