

Designated Funds 2020 Vestry Reports

Flowers

Due to the ongoing covid restrictions we did not have the usual amount of alter flowers in 2020. Although, we would like to thank Chris Gaetan and her helpers for the Easter and Christmas decorations. Very tastefully done.

In the future if we are able to have Easter flowers I may be asking for your support.

Thank you,
Joyce Bryon

Choir Report

During the restrictions of the pandemic, we have still been able to enjoy our sacred music and hymns thanks to our priest, Archdeacon Bill Gray, who continued to sing during the virtual services, sometimes along with his wife Ruth. Dee Fenton, a regular soloist at our church, has been faithfully sharing her talent each week. As your organist, having Bob and Dee Fenton up in the choir loft during these difficult times has made the absence of the choir a little less painful. A big thank-you to Bill Gordon who lifted our spirits by sharing his Music Ministry with us virtually!
