

St. John's  
Independent Review  
For the year ending December 31, 2021

I have reviewed the books and records of St. John's Dunsford, along with the statement of receipts and disbursements for the year ending December 31, 2021.

I confirmed that the records were maintained in an orderly and appropriate manner and that bank statements and deposit records were reflected accurately in the ledger entries.

In my opinion, the accompanying financial statement fairly represents the financial position of St. John's Dunsford as of December 31, 2021.
